

Dear Commissioner,

My name is Hillary Horn. I am a junior at Eldorado High School in Albuquerque, NM. My English teacher has recently informed my class of the Downed Animal Protection Law. I learned about this problem when we studied Upton Sinclair's *The Jungle*. I have also been informed that the First Food and Drug Act of 1906 made it illegal to process downed animals. I am for the Downed Animal Protection Act. Thank you.

Sincerely,

Hillary Horn
